

# PET *Art* NOTES<sup>®</sup> Gallery features:

PET *Art* STUDIOS<sup>®</sup> has launched its very own line of conversational and witty art note cards with, of course artist Rachel DiAndrea's touch of class and unique style.

PET *Art* NOTES<sup>®</sup> Gallery showcases many of her favorite portraits with a whirlwind of color, energy, and vibrancy. "Because I

consider this the gallery collection, I wanted to display inside and out the artcards with a clever portfolio drawstring presentation...Just for you!!!"

PET *Art* NOTES<sup>®</sup> make wonderful and very sincere gifts for the pet enthusiast in all of us...wonderful gifts for showman, judges and breed specific shows too!

Can I mention for those of you who may want to have your very custom notecards .....petartnotes offers those individuals with uncertain distinctive taste their very own collection!!!
